Keep investigating by walking behind the Saint Vaast church, then take the alley on your right.

You are know facing the Robersart castle, ancient home of the Wambrechies' lords. Pass the entrance porch and walk to the courtyard. On the castle wallks, you will find the coat of arms of the ancient mayor.

CAN YOU RECOGNIZE IT ?

DID YOU KNOW ?

This castle has been given the name of its former owners : the Robert de Robersart. It is a Renaissance style castle, built in 1760.

Go back to the church. Once you are in front of the entry gate, look on the left side of the church : up there, you will find the name of the architect.

WHAT IS HIS NAME ?

- ☐ L Charles Maillard
- ☐ T Charles Leroy
- ☐ E Jean Nouvel

DID YOU KNOW ?

This church has no arrow. It has been destroyed by the german army during the second world war because it interefered with the planes take-off. This architect is also the man behind the Treille basilica's technical drawings, in Lille. He wanted, with this church, to be able to visualize the towers of the future cathedral.

Go to the port. You will see a canal : that's the Deûle. Walk under the bridge and turn left.
